(c) not subject to rise and fall, escalation or review.

5. INVOICING AND PAYMENT

5.1 On delivery of the Goods and/or completion of the Services, the Supplier must provide to QCCS an Invoice which meets all the requirements of a valid invoice for Consumption Tax purposes and must comply with clause 5.2.

5.2 A Supplier Reference Document or any Invoice provided by the Supplier must:

(a) refer to the Purchase Order including the line item numbers on the Purchase Order (if any);

(b) include a detailed description of the delivered Goods or Services completed, including the date of delivery, installation or completion in respect of which the Supplier Reference Document or Invoice relates and the relevant quantity;

(d) detail the Price relating to the relevant Supplies, broken down to reflect the same Price components on the relevant Purchase Order;

(e) set out the amount of any applicable Consumption Tax; and

(f) state the QCCS contacts name.

5.3 The provision of a Supplier Reference Document or Invoice that complies with the requirements of clause 5.2 is a precondition to the Supplier's right to payment for the Supplies which are the subject of a Supplier Reference Document or Invoice.

5.4 If any Supplier Reference Document or Invoice does not contain the information required by clause 5.2 QCCS may at its option complete any missing information or return it to the Supplier, in which case the Supplier must submit a replacement compliant Supplier Reference Document or compliant Invoice.

5.8 QCCS may reduce any payment due to the Supplier under this Purchase Order by any amount which the Supplier must pay QCCS, including costs, charges, damages and expenses and any debts owed by the Supplier to QCCS in relation to or in connection with this Purchase Order or the Supplies. This does not limit QCCS's right to recover those amounts in other ways.

5.9 A payment made pursuant to this Purchase Order will not be taken or construed as proof or admission that the Goods or Services supplied or performed, or any part thereof, were to the satisfaction of QCCS but will only be taken to be payment on account only.

5.10 QCCS will not be liable for any claim by the Supplier for payment of amounts in addition to those amounts already paid or accepted by the QCCS unless within 45 days (or such other time as is expressly provided for in any contract identified in clause 1.3) after the day on which the Supplier last provided the Supplies, the Supplier has given QCCS a fully substantiated claim which sets out the facts on which the Supplier relies and the precise sum claimed. Compliance by the Supplier with the time frames specified in this clause 5.10 (or such other time as is expressly provided for in any contract identified in clause 1.3) is a contractual pre-condition to any entitlement to a claim.

5.11 Clause 5.10 does not apply to the extent it is contrary to applicable legislation (including subordinate legislation), or would annul, exclude, modify, restrict or otherwise change the effect of any applicable legislation (including subordinate legislation) in a way that is not permitted by Law.

6.5 If a payment to satisfy a claim under or in connection with this Purchase Order (for example, under an indemnity) gives rise to a liability to pay Consumption Tax then the payer must pay, and indemnify the payee on demand against, the amount of that Consumption Tax (subject to the issue of a valid tax invoice by the supplier to the recipient, or documentation analogous thereto required under the applicable Consumption Tax Law).
